Attachment 21

Inspector General's Recommendation Number 9c, page 92

Recommended DCI Action: Disapprove

Inspector General's Statement

Recommended that:

The DTR should give consideration to the feasibility of the use of outstanding public citizens in the panel selection process recommended above.

DD/P Comment

✓ Non Concur. The use of consultants outside of Government in the recruitment processes, particularly if the range of consultants can be broadened as we feel might well be done, seems to represent an adequate representation of this sort.
